This agreement is between Charlies Little Dog House (CLDG) and the above-named Foster Parent. CLDG agrees to give the foster parent possession and control of foster animals

contingent upon the terms outlined below. As a foster parent, I agree to the following terms:

1. To provide food, shelter and care for the foster animal and assume all responsibility for the animal's wellbeing.

2. To ensure that a dog/puppy lives primarily indoors and is NOT left outside unsupervised, even in a fenced yard, for extended periods. If the Foster Parent does not have a fenced yard, a dog/puppy will live inside at all times and be taken outside on a leash on a regular basis for exercise and elimination needs.

3. To comply with all state and local laws relative to the keeping and care of the animal.

4. To assume all responsibility for damage caused by the animal either directly or indirectly while in the Foster Parent's direct control.

5. The Foster Parent understands and agrees that [insert rescue/shelter name] will take every precaution necessary to ensure that the animal(s) are in reasonably good health. However, [insert rescue/shelter name] cannot be held responsible/liable for any unforeseen health problem that may develop once the animal is in my care. If unforeseen problems arise, the Foster Parent is responsible for keeping the animal separated from any other resident pets (in cases of contagious and/or easily transmittable illnesses) and is also responsible for any medical needs of resident animals as a result of such.

6. In the event that the Foster Parent cannot continue to foster the animal(s), the Foster Parent will contact CLDH and will await the finding of a new foster home (2-4 weeks)

7. Understand that I am making a commitment to fostering an animal until he/she has received the necessary vetting/training to be deemed adoptable and that at such time as [insert

rescue/shelter name] deems appropriate we shall make a long-term commitment to the dog/puppy via a permanent adoption arrangement.

8. If the dog should get out of your home and gets lost, foster parent is responsible to pay the full adoption fee if the pet can't be found and or all veterinarian cost should the pet be recovered but is injured.

9. Hereby agree to indemnify and hold harmless [insert rescue/shelter name], and its Board of Directors, from any and all liability arising out of or in consequence of, or injury sustained as a result of, any activity connected with volunteering for CLDG as a foster home.

10. Understand and agree to be responsible for arranging for the safe care of all foster animal(s) in the event of travel and agree to pay all related boarding expenses.

11. To carry sufficient homeowner's/renter's insurance to cover injury or damage caused by a foster pet and is aware of any breed restrictions that may be in place.

12. To plan to sign an official adoption contract no later than _____. In cases where medical needs are present, time can be extended as necessary. Our goal is to be sure ALL our animals get a forever home. Any length of time beyond the above must be communicated and arranged with CLDG] to prevent removal of the animal to facilitate adoption to different parties.

By signing this agreement, the Foster Parent agrees that he/she has read and understands the above and agrees to abide by all of its provisions. [insert rescue/shelter name] may reclaim the animal(s), if in their judgment the animal(s) are not being cared for properly, or if in [insert rescue/shelter name]'s sole discretion, it is determined that the Foster Parent has not complied with the terms of this agreement.
